

Subsidy Inquiry Form

Royal Botanical Gardens is committed to giving every child an opportunity to fall in love with nature. The Green Angels fund provides financial assistance for children and special needs children, low-income families, new Canadian families, local not-for-profit children's organizations and schools. We strive to provide every child with an RBG experience through admission passes, memberships and school and children's programming, while also providing them transportation. Priority is given

to applicants who have not received a Green Angels subsidy in the past. Program and camp availability is based on current enrolment. Please do not register for the program prior to receiving assistance as funding is not always available and is given in order of application.

Please take a few moments to provide us with some information so we may look into your request. All information is kept strictly confidential.
